

COVID SECURE PROCEDURES

We are adhering to the guidelines provided by professional bodies and the latest government guidelines. We have implemented the following procedures to ensure the safety of our members, guests and staff. These measures are being continually reviewed alongside the government guidelines for hospitality.

All guests must wear face masks in public areas.

Please follow the signs around the building indicating which doors are IN or OUT.

Hand Sanitiser stations are positioned around the building. Please ensure you are using these frequently.

To contact Reception please call 0115 9473829

All guests must wear a face covering in all public areas, they may be removed when seated in the Restaurant or Bar.

Hand sanitiser stations are positioned at the entrance and reception and in all rooms.

If needed, face masks and gloves are provided at reception.

Social distancing signs and one-way stickers are displayed throughout the premises.

Check-in for track and trace is at reception.

Contactless payment is available, however we do accept cash.

The Gent's toilets have been limited to ensure social distancing.

Additional cleaning schedules have been introduced for all areas.

All meeting rooms are sanitised and cleaned prior to your arrival

Tables have been positioned with social distancing in mind, please do not move them.

If you become unwell with any COVID-19 symptoms please do not attend your function.
